

**Thanks for supporting the Walnut Creek Warrior Lacrosse Club. The Club is both an instructional and competitive program aimed at introducing boys and girls to the exciting and fun game of lacrosse. As an instructional program, emphasis will be on learning stick skills, game fundamentals, honoring the game and most of all, having fun.**

#### **REASONS TO GIVE:**

1. General Fund – DVW Club had strong player registrations pre-pandemic. Our numbers are gradually growing, but we have been dipping into our reserves to cover operational costs the last few years. In addition to field reservations fees, league registrations, taxes, and insurance, the club has other operational expenses. We need to break even in 2024 and then set our sights on new equipment and investing in the growth of the club for 2025 and beyond.
2. Coaches – Our youth coaches are compensated with small stipends. To grow our coaching pipeline and attract seasoned adult coaches, we need to offer above market rates for these exceptional coaches.
3. Registration Assistance and Scholarships – DVW wants to open the sport to anyone interested in playing. To help remove the financial barriers, DVW needs funding to help supplement registration fees and equipment costs.

#### **WAYS TO GIVE:**

**Cash Gifts** – the simplest and fastest way to give is via Venmo, PayPal, outright cash, personal or cashiers checks made payable to Walnut Creek Warriors Lacrosse (P.O. Box 364, Walnut Creek, CA 94597). Gifts postmarked by December 31, 2024, will be given tax deductible receipts for the 2024 year.

**venmo**

**Matching Gift Programs** are an easy way to double or even triple your donation to DVW. Many corporations offer matching gift programs and will typically match all or a percentage of employee contributions to charitable organizations.

#### **GRATITUDE:**

Corporate Donors and Sponsors will be spotlighted on our club website.
